Your Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Account Information

Michigan United Credit Union's Routing Transit Number: 272477199

For Deposit to Michigan United Credit Union

Full Pay Allotment/Deduction \$ _____

Account Number (please see important note below) _____

Checking Savings

Important Note: When supplying your account number for Direct Deposit you need to add your three digit account suffix to the end of your account number. Do not leave a space or use commas, dashes, etc., between your account number and the three digit suffix. EXAMPLE: If you want your Direct Deposit to go to your checking account number 123456, you should enter 123456100.

I hereby authorize Michigan United Credit Union to honor the Direct Deposit instructions indicated above. This request is to remain in effect until changed by me in writing by submitting a new Payroll Deposit Authorization. I also agree that, in consideration of this service, any funds erroneously deposited in my account in excess of my authorized amount or then current salary entitlement may be withdrawn by _____ without liability or prior notice.
